Commercial Time Limit Certification

This is to certify that KXLA-TV did not exceed the commercial limits in children's programming as stipulated in 73.670 in fulfillment of the 10.5 weekend and 12 minute weekday per hour of the children's programming requirements.

KXLA does certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams.
